

Incorporating Assessment Practices and Results into Faculty Development: A Dual Department Approach

Drs. Kristen B. Hiding and Jessica M. Turos

Learning Outcomes

- Discuss benefits of collaborating across departments to create and deliver faculty development opportunities.
- Discuss ways to incorporate assessment-focused workshops into faculty development programs.
- Identify opportunities and key time-frames to incorporate assessment data and practices into various faculty development offerings.

The Structure of OAA and CFE

Office of Academic Assessment (OAA) and Center for Faculty Excellence (CFE): Representation and Collaboration

- Dual Graduate Assistantship
- Student Academic Assessment Committee
- Center for Faculty Excellence Advisory Board

The CFE's Workshop Categories

CFE Guiding Categories

- Expectations
- Support
- Engagement
- **Feedback and Assessment**
- Academic Support Technologies

Please notify us prior to the event.			
Office Hours Monday - Friday: 8:00am - 5:00pm		CFE Current Workshops			
PD Session Title	Expectations	Support	Engagement	Feedback & Assessment	Academic Support Technologies
<i>Click on the link below for more information</i>				★	
Accessibility and Content Creation	✓	✓			✓
Active Learning Strategies and Technologies for Remote Synchronous Learning			✓		✓
Assessing Course Design and Delivery	✓	✓		✓	
An Introduction to Online/Remote Course Design and Teaching	✓	✓	✓	✓	✓
BGP Assessment Process Discussion		✓	✓	✓	

Certificate Requirements: Participants must attend one workshop from each of the five categories of: **Expectations, Support, Engagement, Feedback & Assessment, and Inclusive Pedagogy** within the program eligibility dates.

Upon completion of training, participants will submit a reflection on the impact of the professional development on their teaching to the Center for Faculty Excellence at cfe@bgsu.edu.

Assessment PD Finds a Home

- Student Learning Analysts: Sharing Results with Faculty

Discussion Question: What strategies have you (or your assessment departments) implemented to engage faculty in assessment practices?

Data-Driven Faculty Development

- Incorporating assessment practices and results into various workshops
 - ✓ Connecting Learning Expectations with Assessment
 - ✓ BGP 101 (General Education)
 - ✓ BGP Assessment Process Discussion
 - ✓ How to Complete SAAC Reports
 - ✓ Program Evaluation: Learning Outcomes, Curriculum Mapping, and Assessment
 - ✓ SLA Results workshops
 - ✓ Assessing Course Design and Delivery
 - ✓ Building Community
 - ✓ Preparing for Next Semester

Discussion Question: How does your institution help faculty recognize the connections between assessment, curriculum development, and instructional design?

Timing is Everything

Getting faculty to attend and participate

- Academic Calendar
 - Campus-wide
 - eCampus
 - Student Learning Analyst Data

- Assessment Calendar
 - Curriculum Planning and Program Reviews
 - Surveys and Student Evaluations

Continual Collaboration

Discussion Questions:

What are ways your institution **provides** learning opportunities for faculty regarding assessment practices and results?

What are ways your institution **could provide** learning opportunities for faculty regarding assessment practices and results?
