The VALUE rubric training helps me as a professor know what to look for and teach to my college students in the area of professional writing skills. As I create assignments and the accompanying rubrics for my classes, I use the AAC&U VALUE rubric as my starting point.

- Facilitated by expert VALUE scorers.
- Conveniently delivered as asynchronous online modules that can be completed at your own pace.
- Takes about 4-6 hours total to complete.
- Uses actual pieces of student work from a range of institutional types, disciplines, and contexts.
- Provides participants with foundational knowledge of the VALUE approach to assessment as well as practice scoring student work with immediate feedback.
- Leverages a "train the trainer" model to promote institutional capacity-building for authentic assessment that enables participants to create local training opportunities for faculty/educators at their institutions.
- Scorers who become certified are eligible to score for compensation within the VALUE Scoring Collaborative.
- Provides access to the expanding community of trained and certified VALUE scorers.
